

Legislation Text

File #: 0189-2021, Version: 1

This legislation authorizes the Director of the Department of Public Utilities to renew and increase a service agreement with Safex, Inc. for the DPU Hazardous Energy Control Project. This legislation authorizes the Director of Public Utilities to increase a professional services agreement with Safex for Professional Services for the Hazardous Energy Control Procedure Audit and Update. These services shall include, but are not limited to audit planning, conduct facility audits, develop audit reports, and update or develop control procedures.

The Department of Public Utilities manages many facilities under the Division of Sewerage and Drainage (DOSD), Division of Water (DOW) and the Division of Power (DOP), including water treatment plants, wastewater treatment plants, pump stations, electrical substations, electrical vaults and other similar industrial facilities. DPU desires to audit the hazardous energy control procedures at each of the Division's facilities.

The City will request a task order from the consultant as necessary work is identified. The task order submitted will include a detailed scope of work, direct and indirect costs, task schedule, estimated hours, personnel categories required with labor rates, and reimbursable expenses. After negotiation and upon acceptance by the City, the consultant shall commence work. The Engineer shall provide such professional services as may be necessary to accomplish the work required to be performed and shall at the firm's cost, furnish all necessary competent personnel, equipment, and materials to perform the work.

This is a seven (7) year contract and funding is based on task orders requested by the City of Columbus and the cost of which is agreed upon between the City of Columbus and the vendor. If unforeseen issues or difficulties are encountered that would require additional funding, a modification would be required. This proposed renewal number 2 for year 5 of the 7 year contract is to add additional funding as necessary.

This Ordinance is being submitted in accordance with the relevant provisions of Chapter 329 of City Code pertaining to contract renewals.

SUPPLIER: Safex, Inc., FID #31-1365251, DAX #005186, Expires February 3, 2022.
Safex, Inc. holds F1 status.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

1. Amount of additional funds: Total amount of additional funds needed for this contract renewal No. 2 is \$270,000. Total contract amount including this renewal is \$820,000.00.
2. Reasons additional funds were not foreseen: The need for additional funds was known at the time of the initial contract. This increase is to provide the additional funding necessary for the payment of services to be provided through July 2, 2022.
3. Reason other procurement processes were not used: Work under this renewal is a continuation of services included in the scope of the original bid contract. Adjustments to fees and scope to this contract will be made by Contract Renewal based on annual proposals as requested by the City. The amount requested under this ordinance is \$270,000.00. This funding will provide for DOSD and DOW services estimated to be needed in 2021.
4. How cost was determined: The cost, terms and conditions are in accordance with the original agreement. A cost proposal was provided by Safex, Inc. and reviewed by the Division of Sewerage and Drainage and the Division

of Water and was deemed acceptable. The cost of this contract renewal is consistent with the direct labor, overhead, and profit rates established within the original proposal.

FISCAL IMPACT: A total of \$270,000.00 in additional funding is budgeted and needed for this contract renewal for the various facilities of the Division of Sewerage and Drainage in the amount of \$170,000.00 and of the Division of Water in the amount of \$100,000.00. If funding is needed in the future for other Department of Public Utilities facilities a modification will be processed.

This ordinance is contingent on the passage of the 2021 Operating Budget. (Ordinance #2503-2020)

\$119,802.58 was spent in 2020

\$50,099.70 was spent in 2019
