In 2018, the City adopted a new residential Community Reinvestment Area policy based on the 2016 study from HR&A that evaluated the effectiveness of real property tax abatements. Chapter 4565 of the City Code was established by Ordinance 2184-2018 that outlines the eligibility requirements to apply for and receive a tax abatement on property used for residential purposes. Chapter 4565 of the City Code also requires the City to evaluate the policy and CRA categorization every 3 years. The 161 CRA needs to be updated to reflect the recent changes made to Chapter 4565 of the City's Code. This ordinance will modify the 161 Community Reinvestment Area by adjusting its boundaries; and will modify the percentage and term of abatements to correspond with certain housing designations; include a provision to address lot combinations; and to modify the start date for certain area designations. These changes also align with the updates approved by Council to Chapter 4565 of the Columbus City Code.

To amend the 161 Community Reinvestment Area to make modifications to align with the updates located in Chapter 4565 of the Columbus City Code; **to amend the boundaries of this CRA.**

**WHEREAS**, the council of the City of Columbus (hereinafter "Council") desires to pursue reasonable and legitimate incentive measures to assist and encourage development in specific areas of the City of Columbus that have not enjoyed reinvestment from remodeling or new construction; and

**WHEREAS**, Resolution No. 1698-78, approved August 3, 1978, authorized the Department of Development to carry out a Community Reinvestment Program, pursuant to Sections 3735.65 to 3735.70 of the Ohio Revised Code, and approved certain administrative procedures for the program; and

**WHEREAS**, Ordinance 2170-2020 created the 161 Community Reinvestment Area ("CRA") and authorized real property tax exemptions within it, as provided per Ohio Revised Code; and

**WHEREAS**, the City of Columbus has established a goal of fostering private sector investment to build mixed income neighborhoods dispersed throughout the City; and

**WHEREAS**, in 2018 the City developed an incentive policy to encourage development of affordable housing through targeted economic development incentives, including real property tax abatements, throughout the City; and

**WHEREAS**, the 161 CRA, created in 2020, must be updated to reflect the 2022 changes made by Council to Chapter 4565 of the City's Code per Ordinance 1843-2022;

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**Section 1.** Council finds and determines that the area within the 161 CRA is one in which housing facilities or structures of historical significance are located and new housing construction and repair of existing facilities or structures are discouraged. Council also finds and determines that amending the 161 CRA is in the City's best interest and will incentivize the construction or remodeling of affordable housing within this area designation. Per Sections 2-4 below, the addition of new language to prior

legislation is underlined, and deletions are marked as stricken.

**Section 2.** That Section 2 of Ordinance 2170-2020 is hereby amended with additional language underlined and deletions marked as stricken, which shall hereafter read as follows:
