Council Variance Application: CV22-126

APPLICANT: Healthy Linden Homes; c/o Emily Long Rayfield; P.O. Box 77499; Columbus, OH 43207.

PROPOSED USE: Two-unit dwelling.

SOUTH LINDEN AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of one undeveloped parcel in the R-3, Residential District that was formerly developed with a two-unit dwelling. The requested Council variance will permit a two-unit dwelling to be constructed on the site. A Council variance is required because the R-3 district permits only single-unit dwellings. Variances to reduce the lot width, lot area, and a parking reduction from four required to three provided spaces are included with this request. The site is within the boundaries of the *South Linden Land Use Plan* (2018), which recommends "Medium-High Density Residential" land uses at this location, which is consistent with the proposal. *Columbus Citywide Planning Policies* (C2P2) Design Guidelines (2018) recommend that the design and character of new development, including homes, additions, and garages, be appropriate and reflect the nearby structures in terms of height, width, setbacks, lot coverage, and roof pitch. The guidelines also call for front porches, parking located to the rear, open space, street trees, and landscaping. Staff finds that the proposal is consistent with the Plan's land use recommendations, C2P2 Design Guidelines, and development pattern in this neighborhood. As the proposal fits within the larger development pattern of the neighborhood, the request does not introduce an incompatible use to the area.

To grant a Variance from the provisions of Sections 3332.035, R-3 residential district; 3332.05(A)(4), Area district lot width requirements; 3332.13, R-3 area district requirements; and 3312.49(C), Minimum parking spaces required, of the Columbus City Codes; for the property located at **1230 E. 17TH AVE. (43211)**, to permit a two-unit dwelling with reduced development standards in the R-3, Residential District (Council Variance #CV22-126).

WHEREAS, by application #CV22-126, the owner of property at **1230 E. 17TH AVE. (43211)**, is requesting a Council variance to permit a two-unit dwelling with reduced development standards in the R-3, Residential District; and

WHEREAS, Section 3332.035, R-3 residential district, lists single-unit dwellings as the only permitted residential use, while the applicant proposes a two-unit dwelling; and

WHEREAS, Section 3332.05(A)(4), Area district lot width requirements, requires a minimum lot width of 50 feet in the R-3, Residential District, while the applicant proposes to maintain a lot width of 35± feet; and

WHEREAS, Section 3332.13, R-3 area district requirements, requires that a single-unit dwelling or other principal building shall be situated on a lot of not less than 5,000 square feet in area, while the applicant proposes a reduced lot area of 3,675 square feet, or 1,838± square feet per dwelling unit; and

WHEREAS, Section 3312.49, Minimum numbers of parking spaces required, requires two parking spaces per dwelling unit, or four parking spaces for a two-unit dwelling, while the applicant proposes three parking spaces; and

WHEREAS, the South Linden Area Commission recommends approval; and

WHEREAS, the City Departments recommend approval because this request is consistent with the land use recommendations of the *South Linden Land Use Plan*, the site design recommendations of C2P2, and does not introduce an incompatible use to the area; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to the adjacent property, unreasonably increase the congestion of public streets, increase the danger of fires, endanger the public safety, unreasonably diminish or impair established property values within the surrounding area, or in any other respect impair the public health, safety, comfort, morals or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owner of the property located at **1230 E. 17TH AVE. (43211)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
