1. BACKGROUND

This ordinance authorizes the Director of Public Service to modify a professional services contract with Environmental Design Group to add additional funds for design of the Roadway - Utility Coordination and Utility Services 2020 project.

Ordinance 2863-2020 authorized the Director of Public Service to enter into a professional services contract with Environmental Design Group for the Roadway - Utility Coordination and Utility Services 2020 project in an amount of up to \$350,000.00. The intent of this project is to provide the City of Columbus, Department of Public Service, continuing, contractual access to additional staff and resources that are necessary to provide expertise for utility coordination with various private overhead and underground utilities including expertise reviewing permits related to signal infrastructure. Ordinance 2394-2022 authorized the Director of Public Service to modify the contract in the amount of \$175,000.00.

This is a planned modification that is necessary for the continuation of utility coordination and permit services for the City of Columbus. Utility coordination and permit services are a vital part of roadway construction, currently we do not have the staff to keep up with the amount of permits received. The consultant has received training and would be able to continue without additional training so that project reviews are delivered on time. It was deemed to be more cost efficient to modify the existing contract than to bid this part of the work. This ordinance authorizes the Director of Public Service to modify the contract in the amount of \$175,000.00.

The original contract amount:	\$350,000.00	(PO256303, Ord. 2863-2020)
The total of Modification No. 1:	\$175,000.00	(PO347315, Ord. 2394-2022)
The total of Modification No. 2:	\$175,000.00	(This Ordinance)

The contract amount including all modifications: \$700,000.00

Searches in the System for Award Management (Federal) and the Findings for Recovery list (State) produced no findings against Environmental Design Group.

2. CONTRACT COMPLIANCE

The contract compliance number for Environmental Design Group is CC003292 and expires August 10, 2023.

3. FISCAL IMPACT

Funding in the amount of \$175,000.00 is available within Fund 7766, the Streets and Highways Imp Non Bond Fund within the Department of Public Service. An amendment to the 2022 Capital Improvement Budget is necessary to align spending with the proper project. Funds will need to be appropriated.
