BACKGROUND: This ordinance amends the current authorized strength, as set forth in ordinance 0187-2024. Authorized strength as set forth in this ordinance shall be effective April 1, 2024.

The strength levels for most general fund agencies are set to be equal to the 2024 budget as amended by City Council (including the Departments of Health and Recreation and Parks). Authorized strength levels of smaller non-general fund agencies are set to be equal to the adopted 2024 budget as amended, while the strength levels of certain larger non-general fund agencies may have their strength set slightly higher to allow for flexibility in hiring.

Within the Municipal Court Clerk a reduction of four full-time positions is requested in the Computer Fund to account for budget positions that have fully moved to the general fund. The Department of Civil Service requests an increase of two full-time positions and a reduction of one part-time position to account for one additional fiscal employee and the movement of front desk staff from part-time to full-time. Within the Department of Public Safety, Support Services Division authorized strength will decrease by 18 full-time as License, Weights and Measures moves to the Division of Code Enforcement. The Division of Police requests an increase of 19 full-time positions in order to staff the Real-Time Crime Center and three full-time positions for the Public Records expansion. Building and Zoning Services will increase by 18 full-time positions and two part-time positions in the general fund to accommodate the transfer of staff from the Department of Public Safety, License, Weights and Measures Sections. Building and Zoning Services also requests an additional six full-time staff within the Development Services Fund. The Division of Code Enforcement requests three full-time positions for various Council initiatives. The Department of Development Administrative Division will add one full-time fiscal position. The Department of Recreation and Parks will add four full-time positions for staffing the Center Without Walls program.

Fiscal Impact: Funds for these strength levels are budgeted and/or the positions will not be filled until revenues have been clearly identified and appropriated. In all cases, the ability to hire will be monitored by the Division of Finance and Management. As such, there is no fiscal impact associated with passage of this ordinance.

Emergency Justification: Emergency action is requested to allow for the filling of budgeted vacant positions in certain departments in order to assure the immediate preservation of the public health, safety, and welfare.
