This contract will be used to maintain the shoreline at the Hoover and O'Shaughnessy Reservoirs by planting trees, shrubs and for herbicide treatment of invasive species.

The lowest bidder, Ironsite, Inc. f/k/a Facemeyer Company failed to include the installation costs in the pricing of the trees and shrubs which was a requirement of the specifications, therefore, they have been deemed non-responsive.

Therefore, the Division of Water recommended that the award be made to Williams Forestry & Associates, LLC as the most responsive, responsible and best bidder.
