BACKGROUND: This ordinance authorizes the Director of the Department of Public Safety, on behalf of the Division of Support Services, to enter into a maintenance agreement with Cincinnati Bell, Inc. dba Agile Network Builders, LLC to maintain the connectivity from the communication towers to the City's dispatch centers. This is a leased circuit system the City uses to tie the radio system sites and dispatch centers together to operate, and in turn, to connect them to the state where the primary radio system resides.

The radio system is used as a primary source of communications from the Department of Public Safety's dispatch center to public safety units in the field, for internal communications of public safety units, and for interoperability communications between federal, state, and other local public safety agencies. Other Departments use the radio system for similar communications with their employees in the field. The system aids the dispatchers by transmitting critical information by voice signal to radio users in the field.

Bid Waiver Justification: Cincinnati Bell, Inc. dba Agile Network Builders, LLC is the provider for the first of multiple required network connections to the State of Ohio MARCS system. Agile provides these services to MARCS on a state term contract which benefits the City by being on the same network, thus providing system redundancy, interoperability with MARCS and Franklin County equipment, as well as monitored network management. The original contract covered the first 5 years of maintenance, which ended in 2023. The Department of Public Safety is requesting, for the third year in a row, to continue the maintenance annually by entering into a new contract.

Contract Compliance:

Cincinnati Bell, Inc. dba Agile Network Builders LLC - Vendor#051655- Contract Compliance Number # 311056105

To authorize the Director of Public Safety, on behalf of the Division of Support Services, to enter into a new contract for maintenance with Cincinnati Bell, Inc. dba Agile Network Builders, LLC, for network connectivity between the City's communication towers and the dispatching centers; to waive the competitive bidding provisions of the Columbus City Code; and to authorize an expenditure of \$141,360.00 from the General Fund. (\$141,360.00)

WHEREAS, the Department of Public Safety, Division of Support Services, is responsible for the City's 800 MHz radio communications systems; and,

WHEREAS, the Division of Support Services has a need to enter into a new contract with Cincinnati Bell, Inc. dba Agile Network Builders LLC. for network connectivity maintenance service of the 800 MHz Radio Infrastructure; and,

WHEREAS, it is in the best interest of the City to waive the competitive bidding provisions of City Code Chapter 329 and use the State Term Contract pricing with Cincinnati Bell, Inc. dba Agile Network Builders, LLC. in order to receive the best possible pricing; and,

WHEREAS, it has become necessary in the usual daily operations of the Department of Public Safety, Division of Support Services, to authorize the Director to enter into contract with Cincinnati Bell, Inc. dba Agile Network Builders LLC. for network connectivity maintenance service to ensure the continued operation and maintenance of the City's 800 MHz Radio System infrastructure; **NOW, THEREFORE:**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Safety be, and is hereby authorized to enter into a new contract with Cincinnati Bell, Inc. dba Agile Network Builders LLC for the maintenance of network connectivity on the 800 MHz Radio Infrastructure System.
